Tom,

The attached June 10, 2004 Part A was in the company's file, though it was never processed by EPA. Comments are attached to the form explaining why. Let me know if this is the document you were looking for and whether follow up is needed.

Thanks,

Betsy,

We are looking for a copy of a Part A application which was submitted by Tecumseh redevelopment for this site. Our records indicated that Tecumseh submitted the revised Part A on 6/17/2004. Looking at the attached, EPA tracks a document on 6/10/2004, which is I believe the document we are looking for. Would you be able to locate and send me a copy of that document.

Thanks

Tom
